Jerusalem**

**25 October
2022**

**Bina and Moshe Stekelis
Foundation for Prehistoric
Research in Israel**

האוניברסיטה העברית בירושלים
THE HEBREW UNIVERSITY OF JERUSALEM

Archaeologists and historians will dig for a day into the history of prehistory in Palestine and Israel. The participants will address various actors, institutions, and excavations who shaped the field of prehistory and its practice from the 19th century until our days. The workshop will also be an opportunity to present and discuss the question of the archives of prehistory.
